

The North Shore Photographic Society held the 35th Annual North Shore Photographic Challenge on March 2nd. It was another successful Challenge with 283 images on display. 29 clubs with 6 images each plus 109 Individual participants.

Our 3 judges were Neil La Nobel, Frank Pali and Larry Breitreutz

This year we had a clear winner for the North Shore Challenge Trophy and the Best in Show Image. There was a tiebreaker for 2nd and 3rd in the club competition.

In the Individual competition 1st and 2nd place were decided by tiebreaker, while 3rd place was decided by a tiebreaker amongst 4 images. Once again there were a lot of great images in a very close competition with tough decisions for the judges to decide the final standings for the medals in both the club and individual competitions.
